

4. HOW COCKROACHES ARE KILLED

Recipe

Expensive commercial exterminators are often used in big cities where cockroaches travel easily from one apartment to another and from one building to another.

Home remedies have always been popular with most consumers. Try this one – it works!

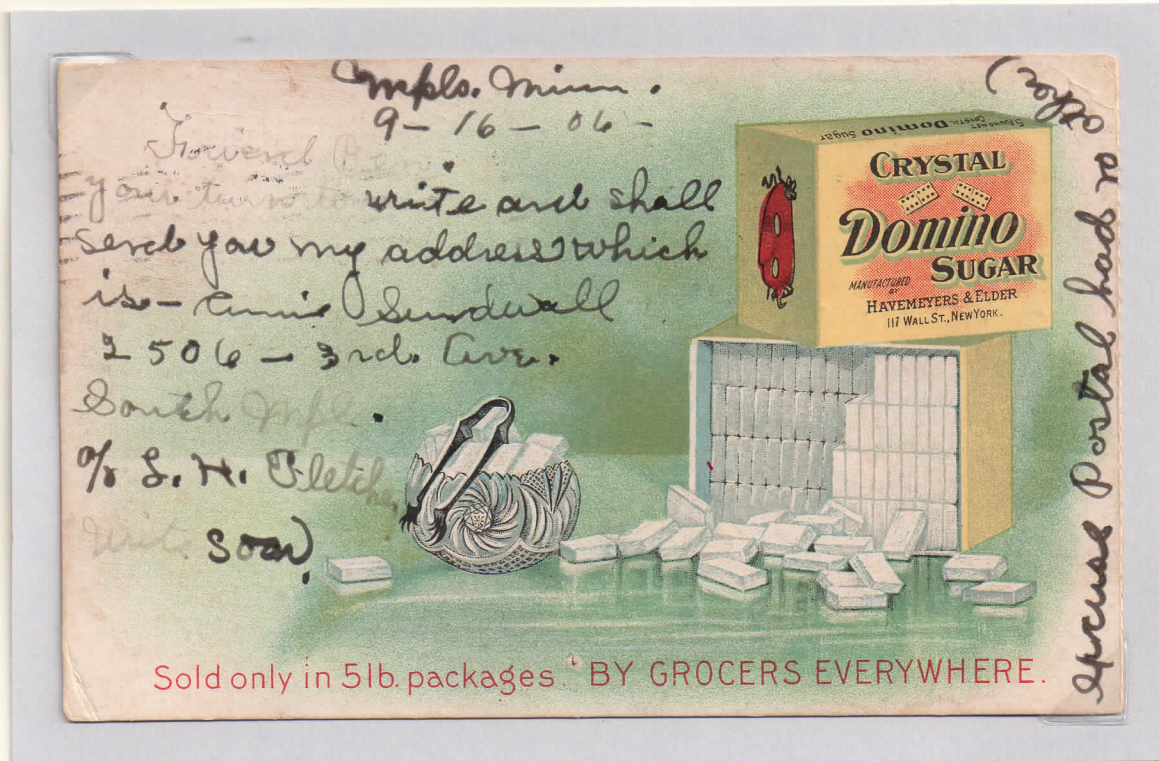

Borax Cockroach Killer Recipe

- 1 cup – Borax (available at most drug and grocery stores)
- ¼ cup – sugar
- ¼ cup – grated onion
- 1 tbs. – starch
- 1 tsp. – water

Form marble sized balls and place on baseboards, pantry shelves, and in garage. Place anywhere you see cockroaches.

Cost: About \$3.50 for a lifetime supply!!!
