

**AWARD WINNERS AT NTSS**

The Biology Unit received a letter of thanks from ATA Executive Director, Ray Cartier and his wife Karen, for providing a special award for the National Topical Stamp Show (NTSS) held June 17-19 in Milwaukee. The Biology Unit Award goes to the best exhibit featuring Botany or Zoology. The winner for 2005 was Fred Ziemann for his exhibit entitled **Wolf**.

NTSS had 165 frames of exhibits, and the winners with biological themes are shown below.

**Gold medal winners:**

- Wolf by Fred Ziemann
- The Donkey In Man's World by Robert J. Mather

**Vermeil medal winners:**

- Ladybeetle, Ladybird, Ladybug by Mary Ann Owens - also AAPE award of Honor
- Big Cats and Humans by Greg Balagian

**Silver medal winners:**

- Penguin Paradigms: Pfact and Pfiction by Terri Edwards
- The Badger by Mary Ann Owens

**Bronze medal winners:**

- Perceptions of the Environment by Dr. Robert Hanson
- The World of Lepidoptera on Stamps by Raymond J. Sullivan

**Youth Gold and AAPE Youth Grand:**

- Why I Love Horses by Elizabeth Sharon Day
