

ORNITHOLOGY

New Issue Listings

Courtesy of "Flight"

This listing of new issues from 2004 follows on from (or adds to) the last listing made by Randall Shore in Vol. 54 # 2. Chuck Braun has sent me scans of pages from the "Flight" journal of the British group and I have added Scott catalog numbers where I could. If anyone can add to these, please let me know.

BOTSWANA	2004, Oct. 11	– National birds – 8v m/s.	
792	5 p	200.320	Cattle Egret – <i>Bubulcus iris</i>
