

Secretary Reports New Members

In the March 2007 issue of the journal, my listing of new members was incorrect. The corrected listing is appended below, together with two additions:

- 1787 JigJid Gansogt, Ulaan Bator, Mongolia – collecting interest 3
- 1788 Allan Savage, Kensington, MD – collecting interest 4
- 1789 Allan B. Turner, Milton, ON, Canada – collecting interest 2

Please note that a membership form is included with this issue. Make sure you pay your dues at whatever level is convenient. See also the President' Message above.
