I recently purchased a set of stamps from Ascension Island with the adults and eggs of various species depicted. Three of these had insects, which I needed for my collection, but the others I do not need. I am listing them below with a price representing my cost. If anyone would like any particular group, e-mail me at [alan.hanks@sympatico.ca](mailto:alan.hanks@sympatico.ca) with your address and I will ship them post free. Then a cheque will cover the cost. US funds are about the same as Canadian at the moment!

4 birds, values £5, £2.50, 90p and 50p – cost US\$29.08
