### **New Collector Handbook on National Wildlife Federation® Christmas Stamps**

Just in time for the holidays, PaperQuest Press announces the publication of a new collector handbook, the third in a series of fish & game philatelic handbooks by noted author Ira Cotton.

National Wildlife Federation® Christmas stamps were issued from 1956 through 2000 to promote wildlife conservation and to raise funds for wildlife conservation. These stamps are interesting because of their colorful designs by leading wildlife artists and because of the many varieties in the sheets. Over 80 Christmas sheets and booklets are all illustrated in full color (headers and top row for sheets) and varieties are described in detail. Lists are provided for all sheets and booklets, over 400 stamps, artists, and stamp subjects.

Philatelists, conservationists, wildlife topical collectors, cinderella collectors, and anyone who loves Christmas should find this handbook appealing. The handbook is available in both saddle-stitched and spiral bindings.

Collectors can order and pay on-line at [www.PaperQuestPress.com](http://www.PaperQuestPress.com) or download and mail an order form at the site. Prices are \$38 for the saddle-stitched binding and \$39.50 for the spiral binding, each plus \$5 shipping and handling. The cover, Table of Contents, and a sample page may be viewed through the website.
