

## SECRETARY-TREASURER'S CORNER

### ANNUAL DUES

In the December edition of the journal, we placed a reminder for all members to send in their dues for the upcoming year. Thank you to all who have accomplished that. However, the Secretary has had to send reminders to a few who have yet to respond.

This is the first time the Secretary has sent out an e-mail reminder. Previously, we have handled this via the postal system. This method did reveal that we do not have current e-mail addresses (and in some cases current mailing addresses) for some members because some reminders were returned as undeliverable.

As a result, we ask that all members with access to e-mail send a short message to the Secretary to update your e-mail and postal mailing addresses. His e-mail address is: ***chris-dahle@fastermac.net***.
