OFFICIAL JOURNAL OF THE BIOLOGY UNIT OF ATA

JUNE 2017

VOLUME 66, NUMBER 2

“Whilst travelling through the mountains of Paraguay, I chanced upon the Yack’wee Indians drinking the Juice of the Cacti, the only real cure for hoarseness known to medical science....Who’ll be the first to buy a bottle?”—The Great McGonigle

Vic Eichler

The Biology Unit, founded in 1951, is a study unit of the American Topical Association dedicated to the international cooperative study of biological postage stamps and related material.

Electronic versions of back copies of *Biophilately* are available on our website, or from the Librarian on request. Please contact the individual associate editors if you have queries about the content of their columns.

Send membership enquiries and change of address notices to the Secretary, Chris Dahle, (319) 364-4999, address at left. See the following page for dues rates.

The purpose of this journal is to provide members with informative articles dealing with biological topics and to publish listings covering the new **zoological** and **botanical** issues of the world, identified and classified to the best of our ability.

Please send letters, comments on the journal, articles, or new material to the Editor (data above). The Publisher will handle requests for issues from the current year. Contact the Librarian (address above) for copies of all other issues.

NOTE: Please provide a self-addressed envelope with the necessary return postage (or International Reply Coupons, if available) for all enquiries requiring an answer.
