## BIRDPEX 8

BIRDPEX is a thematic philatelic exhibition that focuses on the Bird theme and takes place in a different city every four years.

BIRDPEX 8 will be held from 19–21 May 2018, in Mondorf-les-Bains, Luxembourg as part of the philatelic exhibition EXPHIMO 2018. The exhibition is celebrating the 60th Anniversary of Foundation of the Salon thematic philately Show hours are 10 AM to 6 PM on Saturday and Sunday, and 10 AM to 4 PM on Monday.

EXPHIMO is the annual thematic stamp exhibition of the Luxembourg Philatelic Association organized by PHILCOLUX, the thematic collector club. It is a national exhibition with international participation. The jury will judge the exhibits using *Fédération Internationale de Philatélie* (FIP) criteria for thematic exhibits.

At least five countries have already issued sets of stamps depicting birds that commemorate the BIRDPEX exhibition. One should expect that other countries will jump on board with more issues.

BIRDPEX 2018  
Brazil, 2017, Sc#3352

On 19 June 2017, Brazil issued two horizontal strips of three stamps for BIRDPEX 8 depicting birds. The designs of each strip are similar, but the stamps are a different size. One strip (Sc#3352) is perf 12×11½ with water-activated gum and denominated 1.25r. The other strip (Sc#3353) is shorter, die cut 12¼, self-adhesive, and denominated 1st class postage (1.25r). The stamps show images of the following species:

Purple-winged Ground Dove (*Claravis geoffroyi*) a critically endangered species native to the Atlantic forest in southeastern Brazil, eastern Paraguay, and northeastern Argentina.

Blue-eyed Ground Dove (*Columbina cyanopis*) a threatened species endemic to the Cerrado region of Brazil. This bird was thought to be extinct until 12 birds were spotted in 2016.

Araripe Manakin (*Antilophia bokermanni*) a rare, critically endangered species that was not discovered until 1996. It is endemic to a very small area in the Araripe Uplands in northeast Brazil.
