**NEW MEMBERS**

The Biology Unit welcomes the following new members:

- #1826 Steve Winegardner, Washington, DC, collects animals (8), plants (2), insects and butterflies (7)
- #1827 Richard Shevlin, New York, NY, collects US birds (5)

Biology Unit Collecting Interest Codes:

- |                                 |  |
|---------------------------------|--|
| (0) Prehistoric (incl. Fossils) | (5) Birds                                |
| (1) Flora and Fauna             | (6) Fish and Fishing                     |
| (2) Botany                      | (7) Insects (including Spiders, etc.)    |
| (3) Zoology                     | (8) Mammals (Wild and Domestic)          |
| (4) Amphibians and Reptiles     | (9) Marine Invertebrates (incl. Mammals) |

**FOR SALE BY MEMBERS**

A collection of TREES on STAMPS is for sale. This long time and extensive collection consists of mint stamps, imperforates, proofs, perfins, revenues, banknotes, FDCs, and many more items on trees, tree flowers, fruits, industries, and more. The collection is for sale as the complete collection (although I may consider breaking it into portions). For details, contact former unit member at: dfzinkel@charter.net.
