

## SECRETARY-TREASURER REPORT

The Biology Unit has 133 members at present. Between June 2011 and June 2012 we welcomed nine new members, and one reinstated. Unfortunately we lost 22 members during the past year. Sixteen were dropped for non-payment of dues; five members resigned, and one member died.

The Biology Unit web site, [www.biophilatley.org](http://www.biophilatley.org) was given a complete makeover for the first time since it debuted in 2003. Please let the Secretary know if there are any changes that we should make to the site. There are 48 members getting their journal electronically. If anyone would like to get an electronic version, please contact the Secretary at [chris-dahle@fastermac.net](mailto:chris-dahle@fastermac.net). The chart below shows activity on the site during the past year.

### Treasurer's Report:

<b>Balance from 2011</b>		\$18,636.78
<b>Income</b>		
Dues	\$1026.12	
Donations	172.00	
<b>Total</b>	<b>\$1198.12</b>	
		\$19,834.90
<b>Expenses</b>		
Journal Printing	\$955.78	
Journal Postage	889.82	
Domain Name	13.95	
Web charges	101.49	
Credit Card Charges	11.49	
Sales Tax	61.75	
<b>Total</b>	<b>\$2034.28</b>	
<b>Balance forward</b>		\$17,800.62

This year we operated at a loss of \$836.16, in contrast to last year when we had a surplus of \$215.88. Since expenses were reduced by ~\$100, the loss of revenue seems to be entirely from loss of dues paying members.
