BIRDPEX '90 SHEETS REVISITED

I have been doing some work on a miniature sheet checklist and I ran across the Birdpex '90 sheets listed by a dealer in New Zealand. Because several species on these sheets are new to the philatelic aviary, I decided to purchase the set of ten sheets. Bruce Cruickshank listed eight of the sheets in BP V40(3) on pages 31-32. The following is a list of all the birds from the ten sheets I now have in hand. Those of you who collect cinderellas may find this listing of interest.
