**MEMBERS WANTS, SALES AND NOTICES**

Vladimir Kachan from Belarus would like to correspond with any other members interested in moths and butterflies on stamps and other postal material. Vladimir may be reached at [Vladimirkachan@mail.ru](mailto:Vladimirkachan@mail.ru) or write to P.O. Box 36, BY – 220089, Minsk – 89, Republic of Belarus

I still have the following items for sale:

- Singapore 1998 – Two “Fragile Forest” booklets (847a & 852a) with assorted animal life \$3.00
- Sweden 1999 Booklet (2356a-d) with block of four butterflies \$3.00  
(Joint issue with Singapore)
- Moldova 2003 Booklet (443b) containing the four butterflies in a miniature sheet \$8.00  
Note: add \$1 to the above three items for postage.
- U.S.A. Two complete sheets of the ‘Insects & Spiders’ issue (Scott 3351), never hinged. Sell for face value – US\$6.60

I recently purchased a set of stamps from Ascension Island with the adults and eggs of various species depicted. Three of these had insects, which I needed for my collection, but the others I do not need. I am listing them below with a price representing my cost. If anyone would like any particular group, e-mail me at [alan.hanks@sympatico.ca](mailto:alan.hanks@sympatico.ca) with your address and I will ship them post free. Then a cheque will cover the cost. US funds are about the same as Canadian at the moment!

4 birds, values £5, £2.50, 90p and 50p – cost US\$29.08

I have a stock book in which I have accumulated a large number of wildlife stamps taken from sets or souvenir sheets which had one or two butterflies that I needed. There are birds, animals and insects. If any member has single stamps on their ‘want list’ that are from sets or sheets, let me have the country and Scott number(s) and I will see if I have the stamps. I would sell them at a good percentage off Scott. If I do not get any requests, maybe I will list what I have and members can check to see if there is anything they need.
